

4. CUSTOMIZE YOUR SQUISHY CHARACTER...

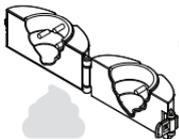

8. Rotate the Squishfetti™ Carousel until desired Squishfetti is chosen and is positioned towards the front.
9. Push and release the Carousel Button to infuse the desired amount of Squishfetti into the Character Mold.

TIP: Some types of Squishfetti™ sink more during curing than others. Use the stir stick to move Squishfetti™ down to desired depth within the squishy character.

10. Remove Character Mold and Snap lid on top and let sit for 40 minutes.

11. Remove lid, open mold and remove your custom Squishy character!

CAUTION! Compound not intended to be eaten. Use of this product by children should be supervised by an adult. Keep away from eyes. If material accidentally enters the eye, rinse well with plenty of clean water. Seek medical attention if irritation persists. ©2025 KandiCo. SquishyVerse is a trademark of Kade Limited. WARNING:
CHOKING HAZARD - Small parts.
Not for children under 3 years.

SET UP

Carefully place and set up all components onto the base set as seen in the diagram below.

1. THE SECRET FORMULA

1. Pour 1 capsule of both the A&B Secret Formula and desired amount of colored glitter into a mixing cup.

2. Now place mixing cup into the MIXING STATION PLATFORM under the mixing paddle.

HINT: Use multiple mixing cups with different colored glitter to create MULTI colored SQUISHIES

2. THE MIXUP

3. Push down on the Upper Handle and rotate to mix the Secret Formula for 20-30 seconds.

4. Release handle and tilt mixer backwards, then remove mixing cup.

3. SQUISH!

CAUTION

CAUTION: Make sure the bottom of the reservoir base door is closed before pouring.

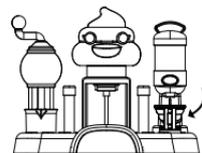

5. Tilt the Character Head back and pour the mixing cup's Secret Formula into the Reservoir (be careful not to overfill past fill line).

6. Slide Character Mold into place under Reservoir then tilt head forward and push the tip of Character Head downward. Reservoir base door opens & Secret Formula will drip into the Character Mold below.

4. CUSTOMIZE YOUR SQUISHY CHARACTER...

7. Place the Secret Formula filled Character Mold into the Squishfetti Station.
